

e2C – Trials eUICC

Turnkey solution to start your Cellular IOT design

Trials-eUICC is the best solution to test Cellular Connectivity and Connectivity Management Platform (CMP).

Description :

1-Packaging: 2 formats available

SIMfit : 2FF/3FF4FF

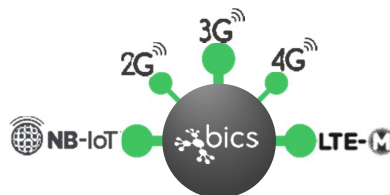

AVe2C-BICS-50M-WT-03-F234-E-TRIALS

MFF2 (VQFN8)

AVe2C-BICS-50M-WT-03-M2-D-TRIALS

2- Connectivity: An initial cellular Connectivity allowance of **50MB** rechargeable on request. Valid for 3 months after activation

3- Global Coverage:

Armenia, Austria, Azerbaijan, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, French Guiana, Germany, Gibraltar, Greece, Guadeloupe, Hungary, Iceland, Ireland, Italy, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Martinique, Mayotte, Moldova, Montenegro, Netherlands, Norway, Poland, Portugal, Reunion, Romania, Russian Federation, Saint Martin (French part), Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, United Kingdom, Ukraine, Canada, Puerto Rico, United States of America, Virgin Island (U.S.), Mexico, Bangladesh, Brunei, Cambodia, China, Hong Kong, Indonesia, Korea (the republic of), Macoa, Malaysia, Myanmar, Taiwan, Thailand, VietNam, Australia, New Zealand.

If you want to test another's countries not include in list above, please ask us by mail: e2C.info@avnet.eu

4- Smart Connectivity Platform:

Access a fully in-house platform that has been specifically designed for IoT, combining advanced and flexible APIs, tools and business intelligence capabilities for complete visibility and control. The simple self-service management portal makes it easy to launch and manage your international IoT devices.

- **Fit for millions** of devices with granular control and high operational efficiency
- **Customize** global connectivity for **individual SIMs or in bulk**
- **Tailor** your IoT business models
- Reprogram SIMs and change or renegotiate commercial agreements during the lifetime of a connected device
- **Provide the best support** – follow-the-sun network operations and support teams in every region
- Extensive **real-time functionalities** – ratings, billing, alerts, actions and monitoring
- **All platform functionalities** are available through **simple and flexible API integration**

Ready to jump on board? Test our eUICCs/UICCs.

5€

No subscription or additional fees.

- ✓ SIMFit (2FF/3FF/4FF) and/or MFFF2
- ✓ 50MB of Data (Rechargeable on request)
- ✓ Connectivity Management Platform Access
- ✓ 2G/3G/4G – LTE-M & NB-IOT*
- ✓ Global Coverage
