MY EBV INTERACTIVE OVERVIEW

Rollover the numbered icons to learn more about each interface element

Benefits of using MyEBV

With a portfolio of self-service tools and valuable content, MyEBV brings all your business with EBV Elektronik into a single digital experience.

Self-service tools

Whether it's placing orders, getting order status, requesting a quote, creating a bill of materials and more, MyEBV empowers you to do more on your own. Access the information you need and engage with EBV Elektronik whenever you want – all through a single digital interface.

Valuable content

Real-time product details, availability, pricing, technical documentation and datasheets are just some of the valuable content at MyEBV – and it's all available whenever you need it.

This guide

This overview guide provides information about the many features of MyEBV – what they are, how to use them and links to more information. We hope you find this helpful and we welcome your ideas to make it better.

Interactive MyEBV dashboards like this one enable you to quickly place orders and obtain pricing details.

Overview of MyEBV tools

How to get registered

You need to be an active customer of EBV Elektronik. Contact your sales representative to get you access to MyEBV.

Log in

Access your account and other information.

Dashboard

View account snapshot of notifications and pending items.

Quotes

Submit a quote for approval. Search submitted quotes and view open online and offline quotes.

BOM

Upload a Bill of Materials for projects or upload multiples and assign to specific projects. It's a quicker way to request a multi-line quote.

Forecasting

The MyEBV Forecast Response Tool empowers eligible customer to monitor their forecast in real time including indicators of risk if any.

EOL/PCN

Customers can review any product change notification and/or end-of-life products for parts of their purchasing history.

Purchasing parts from other sources

How to access

Click on the drop-down menu in the top right and toggle between different regions.

Users may purchase parts from other regions using a credit card. Please note, customer credit terms and special pricing don't transition to other regions.

If you are setup with the same email address on Avnet Abacus, Avnet Silica or EBV Elektronik, you can transition between those portal sites without the need to login again.
