Re: RENESAS FORCE MAJEURE NOTICE

Dear Valued Renesas Customer:

Thank you very much for your cooperation in working to overcome the difficult situation all over the world attributed to the Coronavirus (COVID-19).

This is to notify you of the potential impact on Renesas business operations resulting from the city-wide lockdown in Shanghai over nine days while authorities carry out COVID-19 testing. The lockdown will happen in two stages, with the eastern side of the city under restrictions from 5:00 a.m. on March 28 until 5:00 a.m. on April 1, and the western side from 3:00 a.m. on April 1 to 3:00 a.m. on April 5 (in local times). There possibly be an additional lockdown or other restrictions depending on future situations of the COVID-19 infections in Shanghai.

This city-wide lockdown in Shanghai is likely to affect the delivery situation for our customers. While we need more time to have clarity regarding the expected delays, we must acknowledge that there will likely be an impact and provide you with this notice that the force majeure condition has arisen.

Although it goes without saying that securing supply to all of our customers is our highest priority, we assure you that Renesas is making every and utmost effort to minimize the impact and inconvenience on our customers. Please do not hesitate to contact your key account managers directly if you have any questions or concerns. We are all available at any time to respond to your questions and will work with you to resolve any issues that may arise because of these unprecedented circumstances.

Yours Sincerely,

Carsten Jauch
