- Are "articles" (as defined in Title I, Chapter 2, Art. 3, Point 3)
- Are assembled with components that do not contain the substances in the Candidate List of European Chemicals Agency (ECHA) neither the substances listed in Annex XIV ("List of substances subject to authorisation") in a whole quantity higher than 1 ton per year or in a concentration upper than 0,1% in weight/weight. (Title II, chapter 1, art. 7, point 1 and 2), except for the ones that have a notice in column "Presence of SVHC notice" (please see "Presence of SVHC notice" at the bottom of this declaration)

Candidate List table at website: <https://echa.europa.eu/candidate-list-table>

3. Are conform to restrictions (described at Title VIII) about manufacturing, marketing and use of certain substances, mixtures and articles (Annex XVII).

Please note that ITALCOPPIE SENSORI S.r.l, as a downstream user:

- does not produce any substance or mixture and gathers any informations from its Suppliers;
- any measures required by the Regulation are taken with its Suppliers, in order to guarantee the continuity of supply for customers and the safety of operators.

PRESENCE OF SVHC NOTICE

Articles that in the table present an entry in column "Presence of SVHC notice", are assembled with one or more components that may contain a SVHC, whose details are reported below:

NOTICE	Substance Name	CAS code	Percentage contained in homogenous material
A	Lead (Pb)	7439-92-1	>0,1% - <4%
The article contains components made by copper alloys containing Lead. ROHS exemption 6 c)			

NOTICE	Substance Name	CAS code	Percentage contained in homogenous material
B	Lead (Pb)	7439-92-1	>0,1% - <15%
The article contains electrical components made by a glass matrix containing Lead. ROHS exemption 7 c) - I			

NOTICE	Substance Name	CAS code	Percentage contained in homogenous material
D	Dodecamethylcyclohexasiloxane (D6)	540-97-6	>1% - <1,5%
	Octamethylcyclotetrasiloxane (D4)	556-67-2	>0,1% - <1%
	Decamethylcyclopentasiloxane (D5)	541-02-6	>0,1% - <0,8%
The article is manufactured with a silicone rubber cable that can contain the above impurities, which are monomeric bases for silicone polymers.			

ITALCOPPIE SENSORI S.r.l. guarantees that the above substances are not spontaneously released by the articles, which in normal or reasonably foreseeable conditions of use are not hazardous for people and environment.

The present declaration is released at best of our knowledge and consequently of what above stated no registration neither notification to European Chemicals Agency are needed.
