AVNET[®] SILICA

Benefits of using MyAvnetSilica

With a portfolio of self-service tools and valuable content, MyAvnetSilica brings all your business with Avnet Silica into a single digital experience.

Self-service tools

Whether it’s placing orders, getting order status, requesting a quote, creating a bill of materials and more, MyAvnetSilica empowers you to do more on your own. Access the information you need and engage with Avnet Silica whenever you want – all through a single digital interface.

Valuable content

Real-time product details, availability, pricing, technical documentation and datasheets are just some of the valuable content at MyAvnetSilica – and it’s all available whenever you need it.

This guide

This overview guide provides information about the many features of MyAvnetSilica – what they are, how to use them and links to more information. We hope you find this helpful and we welcome your ideas to make it better.

Overview of MyAvnetSilica tools

How to get registered

You need to be an active customer of Avnet Silica. Contact your sales representative to get you access to MyAvnetSilica or fill in the form “Request Account” on the Online Help site.

Log in

Access your account and other information.

Dashboard

View account snapshot of notifications and pending items.

Quotes

Submit a quote for approval. Search submitted quotes and view open online and offline quotes.

Orders

Place your order easily on our platform.

Pricing

View current prices anytime online.

BOM

Upload a Bill of Materials for projects or upload multiples and assign to specific projects. It’s a quicker way to request a multi-line quote.

Forecasting

The MyAvnetSilica Forecast Response Tool empowers eligible customer to monitor their forecast in real time including indicators of risk if any.

EOL/PCN

Customers can review any product change notification and/or end-of-life products for parts of their purchasing history.

Quotes – Requesting a Quote

When a part has a 'Request Quote' button, follow these steps:

The 'Request a Quote' form contains the following fields and buttons:

- Quote No.:** Open
- Part Number:** 79282-520
- Manufacturer:** Amphenol
- Customer Part Number:** ex. 4353ES
- Target Currency:** EUR (Euro)
- Minimum Required Quantity for Quoting:** 100
- Target Unit Price (Optional):** Only use dot as decimal separator
- End Customer:** Customer
- Competition:** Competition
- Comments:** Comments
- Buttons:** CANCEL, ADD TO QUOTE

Numbered steps for the process:

- 1: Click the 'Click To Quote' button on the product page.
- 2: Enter the 'Customer Part Number'.
- 3: Select the 'Target Currency'.
- 4: Enter the 'Target Unit Price (Optional)'.
- 5: Enter the 'End Customer'.
- 6: Click the 'ADD TO QUOTE' button.

Click page number to go to page

Purchasing parts from other sources

How to access

Click on the drop-down menu in the top right and toggle between different regions.

Users may purchase parts from other regions using a credit card. Please note, customer credit terms and special pricing don't transition to other regions.

If you are setup with the same email address on Avnet Silica, Avnet Silica or EBV Elektronik, you can transition between those portal sites without the need to login again.

Click page number to go to page

The screenshot shows the '2. Payment Method' section of the Avnet Abacus website. It includes a 'SELECTED PAYMENT METHOD' section with 'Avnet Credit Line / Abacus' selected. Below this is an 'INVOICE ADDRESS' section with a dropdown menu. A yellow banner states: 'The exact freight amount and Tax will be calculated at the time shipment is processed and will appear on your shipment notifications.' There is a 'Purchase Order Number* (required)' field containing '1234567654321'. A checkbox for 'I have read and agree to the terms and conditions' is present. A green 'PLACE ORDER' button is at the bottom right. Below the main form is a 'My Cart' section. Callout 1 points to the top of the form. Callout 2 points to the 'Purchase Order Number' field. Callout 3 points to the terms and conditions checkbox. Callout 4 points to the 'My Cart' section.
