<div>Declaration of Substances</div> <p>PMBL Limited confirms, to the best of our knowledge, that our products (including packaging and any 3rd party items) do not contain chemicals as stated on the chemicals list as publicised, except as listed on the tables below. We will continue to review documentation as supplied with regards to chemicals substances that may be contained within products.</p> <p>Under REACH we are a manufacturer of ARTICLES to our customers (according to guidelines from ECHA electronic components shall be considered as ARTICLES). We do not manufacture “substances” or “preparations” and our articles do not involve the “intentional release of substances”. Accordingly, we foresee no registration or pre-registration or authorisation requirement for the products we supply.</p> <p>Under RoHS with reference to Cells (Batteries) that are used within our products, we can confirm that batteries are exempt under RoHS however they are covered under the Batteries Directive 2006/66/EC (Amended by 2013/56/EU dated 10/12/2013).</p> <p>We declare that we will continue to review our compliance on a regular basis and will update this document as and when new information has been provided. This declaration has been compiled and confirmed that to the best of our knowledge, from information supplied, it is correct as at the date below:</p>
